AUTHOR *Author*

Ever feel like your life has been smashed into pieces?

Joelle understands...at six, a tragic house fire took her sister Maria's life and disintegrated her family. Consumed with grief, she disconnected herself from God and rebuilt her identity as an actress, model, and CEO.

But when her dream trip to Hollywood blew up, a hotter fire ignited. It stripped her bare, exposed lies she believed about her identity and burned her idols to ashes. Out of her ruins - blazing brighter than her brokenness - she encountered Jesus and He redeemed every broken piece in her life.
